My Friends in Christ,

Welcome to our parish community! We are pleased to present to you this overview guide for St. Ignatius of Loyola Church. Our parish is a vibrant community with many opportunities to grow in our Catholic Christian faith through prayer and sacraments, education and outreach, and through many social, athletic, and cultural organizations at the parish.

Parishioners here come from many walks of life. Many are native to west side Cincinnati, while others come from other origins, be they in the Cincinnati area, other regions of the country, or even other parts of the world. While we value our differences, we cherish most of all our unity in a common faith. More than anything else, we are drawn together by the work of the Holy Spirit, and celebrate this unity most especially in the Mass. It is who we are as the Body of Christ.

You might be aware of the current parish restructuring plan being undertaken by the Archdiocese of Cincinnati. This restructuring plan will affect every parish in the archdiocese, including our own. As part of this plan, called "Beacons of Light," St. Ignatius of Loyola Church will remain a single-site parish church and school. However, as part of this plan, our parish leadership and ministries will be revitalized over the next several years so that we can live as a more effective and committed people of God who bring Good News into the lives of others. It is an exciting time to be a part of St. Ignatius!

Inside this overview guide you will find helpful information regarding worship and prayer, as well as ministries and organizations within the parish. Also included is contact information to the people who lead them. We are grateful to our Communications Department and to all who were involved in the creation and production of this guide. If you have questions or would like further information, please contact our parish office at 513.661.6565.

Yours in Christ,
St. Ignatius of Loyola Parish Staff

Stewardship of Time, Talent, & Treasure

*What return can I make to the Lord for all
His kindness to me? (Psalm 116:12)*

Stewardship is a phrase which merges the Biblical concept of tithing (*giving 10% of one's time and finances*) to God with current Catholic theology of generously living the Gospel teachings of Jesus. Stewardship is a way of life for the Christian disciple. We are simply the stewards of all that our generous and loving God has given us. This is the responsibility of all the baptized, and a necessity for all parishioners. All members (*except those in nursing homes or having serious health problems*) are asked to actively give of their time, talents, and financial resources to build our parish community and help those in need.

Most important is your **TIME** spent in **PRAYER**. Every moment we have in our lives is a gift from God so we must pray. It is vital that all families join their St. Ignatius Parish community for Sunday Mass as frequently as possible. Families seeing each other at Sunday Mass in their own church strengthens the spiritual bonds of our community and generates fellowship.

Your **TALENTS** shared through **INVOLVEMENT** in a parish ministry, activity, or organization, fosters spiritual growth and nurtures fellowship. This directory is full of various opportunities.

Your **TREASURE** in giving in our Sunday collection **SUPPORTS** the parish financially in a recordable way through the use of the Sunday contribution envelopes, checks, and/or on-line giving. You are encouraged to financially support the parish to the best of your ability.

Time spent in **PRAYER**, talent shared through **INVOLVEMENT**, and treasure given to **SUPPORT** the Sunday collection are three foundational witnesses our children need to see being practiced in their families and to grow in their Faith, to properly understand what it means to be "church" and to be poised to become active and effective adult members of the Church in the future.

Bequests to St. Ignatius of Loyola Parish

Parish fiscal health can be greatly enhanced through bequests received from estates of parishioners. Please consider consulting an attorney about a bequest. This support is greatly appreciated.

Safe Environment

Child Protection Decree

Contact: AOC Safe Environment for Children and Youth • 513.421.3131

The Archdiocese of Cincinnati recognizes the need to address child abuse, and attempts to do so through the Decree on Child Protection. The purpose of the Decree is two-fold. It is intended to prevent the abuse of children and adolescents and, to provide a system for handling incidents of abuse after they occur.

Prevention can best be achieved by the education of children, clerics, employees, parents and volunteers about the realities of abuse. The key elements of the system include a report to civil authorities, assessing the allegation, caring for the abused individual and his/her family, acting appropriately with regard to the accused person, and attending to the local church community.
